

HISTORIC EVENTS THAT “COULD NEVER HAPPEN”

Click on any underlined item to see further discussion on that topic.

Sinking of the Titanic

Wall Street Crashes of '29 and '87 ('87 was worse in terms of total losses in 4 days time).

9/11

Bhopal

Chernobyl

University of Virginia hospital switching babies at birth

Duke University hospital transplanting organs of the wrong blood type

Surviving septuplets

[Flu epidemic of 1919-1921](#)

The equity markets of the 90's

Men on the moon

Soviet Union breaking up

Oklahoma City bombing

OPEC oil crisis

Savings and Loan financial crisis

Balanced Federal budget and (temporary?) discontinuance of 30 year Treasuries

State revenue funding through class action litigation, e.g. tobacco, gun makers

The Perfect Storm.

[Extinction of the dinosaurs](#)

The Ice Ages.

Axis of revolution of earth shifts dramatically (Sahara desert used to be one of the poles.)

A major caldera to explode and create something like a nuclear winter. This has been used as the explanation to why the human gene pool is so restricted. The Yellowstone caldera is showing signs of possible problems.
